

QUALITY POLICY STATEMENT

The company believes it can best meet its aims of continuous profitable growth by using the quality system ISO 9001:2008.

The management acknowledge that they must provide leadership for all staff in setting realistic targets, providing training, the right environment and facilities to enable continuous improvement to be achieved in products, service and manufacturing technology. These improvements will be targeted to meet customers' expectations, give excellent value for money and offer opportunities for customers to improve their own products.

The company at all times will operate a policy of good citizenship in its activities and interaction with society in general and stakeholders in particular.

A handwritten signature in black ink, appearing to be 'M. R. Cuthbert', written over a horizontal line.
